DIAMOND SQUARE REDEVELOPMENT AGENCY AGENDA ITEM

Memo Date: May 2, 2022
Agenda Date: May 16, 2022
Prepared By: Lori Chabot, Redevelopment Coordinator
Through: Charlene Neuterman, Community Services Department Director
Requested Action:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 817 Barbara Jenkins Street, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

BACKGROUND:

Since 1998, the objective of the Diamond Square Community Redevelopment Agency (CRA) Redevelopment Plan has been to leverage the neighborhood's existing assets to support the revitalization of the area and remove the blighting influences identified in the original "finding of Necessity" study. Over the past, the City and the CRA have invested substantially in upgrading infrastructure, removing blighted structures, assembling land and funding façade improvements.

The plan update in 2014 was created to build on prior years serving as a guide to implement the community's vision through refocusing on the roles, priorities and connections of the CRA with other organizations. The update was intended to support desired growth and development in order to stimulate private investment and enhance community identity.

The Paint Grant Program has \$5,000 budgeted in the FY2022 budget to award grants throughout the fiscal year. Applicants are subject to availability of funds which are awarded on a first come, first-

serve basis to homeowners meeting all Program eligibility requirements. The program eligibility requirements are as follows:

- Applicant/homeowner must reside in the home requesting participation in the program
- Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.

BUDGETARY IMPACT:

Budgeted	Yes
Amount Requested	\$1,000.00
Account Number:	111-3230-559.83-00
Account Name:	Other Grants and Aids

Source of Funds: Diamond Square CRA

PREVIOUS ACTION:

June, 2021, the Diamond Square CRA approved the Residential Paint Program, similar to the CRA's Commercial Façade Grant Program in an effort to support the plan's goal of raising value and perception of the Diamond Square and to encourage area spending and homeowner investment (*Objective 3.6*) and the development of community partnerships to grow in ways to further benefit the Diamond Square Community (*Objective 5.3*).

RECOMMENDED MOTION:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 817 Barbara Jenkins Street, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

DIAMOND SQUARE COMMUNITY REDEVELOPMENT AGENCY

RESIDENTIAL PAINTING PROGRAM GUIDELINES AND APPLICATION

Residential Paint Program Guidelines

I. Purpose

The Diamond Square Community Redevelopment Residential Paint Program (hereinafter the "Program") was established by the Diamond Square Community Redevelopment Agency (the "CRA") to encourage residents of the Diamond Square area to improve the exterior of their residences, thereby reducing blight conditions and improving the aesthetics of the community. Through the Diamond Square Redevelopment Plan the CRA is authorized to "support and encourage improved appearance and design of both public and private projects. Strategies may include, but are not limited to, developing design guidelines, providing design assistance, facade grant and/or paint programs, incentives, and partnerships with both the public and private sector." The Program allows eligible applicants to share with the CRA the cost of painting an existing residential property within the Diamond Square Redevelopment Area.

II. Availability of Funds

This Program is subject to the availability of funds in the CRA's Diamond Square Redevelopment Area. If such funds are available and allocated to this Program, the funds will be awarded on a first-come, first-serve basis to home owners meeting all Program guidelines. Up to \$1,000.00 that include pressure washing, paint and paint supplies to be awarded per approved project. The recipient shall be responsible for painting and any additional costs associated with the project. The CRA reserves sole discretion in the review of applications and in awarding funds under this Program.

III. Eligibility

The residential dwelling (hereinafter the "Home") must be located within the Diamond Community Redevelopment Area.

1. The Applicant/Home Owner must reside in the Home requesting participation in the Paint Program.
2. The Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.
3. The project shall consist of painting the exterior of the Home. Interior painting projects are not eligible. Current members of the CRA or City Staff are not eligible. The exterior of the Home will be pressure washed by a contractor after the application is approved. CRA staff will verify completion of the pressure washing.
4. Applications may be considered according to an "application cycle" established by the CRA.

IV. Applicant Requirements/Program Process

1. The applicant must obtain and submit a completed CRA Paint Program application to CRA staff with all required attachments.
2. Within 30 business days the CRA staff will review the application and notify the applicant, in writing, of its approval, denial for failure to meet Program requirements or to request missing or additional information needed to complete review.
3. The CRA will have the exterior pressure washed upon completion and CRA approval of application and prior to purchase of Paint and paint supplies.
4. The application must include the chosen color scheme for both the building and trim and color photographs of the exterior of the existing Home ("before" photos). Recommended color palettes are available upon request from the CRA.
5. Upon application approval, the applicant will consult with CRA staff and a representative from a CRA approved paint supply company to determine what paint and paint supplies will be sufficient in order to complete an industry-standard paint job.

6. Upon selection and transfer of paint and supplies to the applicant, the CRA will issue payment directly to the paint supply company.
7. Work must commence on the project within 30 days of the applicant's receipt of the paint and paint supplies. All work must be complete within 60 days from the commencement date.
8. Upon completion of the work, the applicant must contact the CRA staff to arrange a completion inspection. All work will be inspected by the CRA after completion of the project for the limited purpose of verifying the work was completed in accordance with these guidelines. In the event completed work is not in compliance of the guidelines, CRA will notify the applicant of non-compliance within 15 days.

V. CRA Limit of Liability

The CRA's liability under this Program shall be solely limited pressure washing and to the purchase of paint and paint supplies in an amount not to exceed \$1,000.00, approved in advance by the CRA for work completed in accordance with these guidelines, as evidenced by an executed Affidavit of Completion. The CRA expressly disclaims any other liability, warranty or guarantee, express or Implied.

Applicant must sign acknowledging receipt of the Program Guidelines.

5. **Grantee is an Independent Contractor.** It is specifically understood and agreed to by and between the parties hereto that in utilizing the funds hereunder, that this grant award, and relationship between the CRA and the Grantee is one in which the Grantee is an independent contractor of the CRA and not an agent, employee, joint venture, or other partner of the CRA or the City of Cocoa. Nothing contained herein shall be construed to be inconsistent with this relationship or status. 6. **Grantee's Signatory.** The undersigned person executing this Grant Agreement as Grantee hereby represents and warrants that he/she has the full authority to sign said Grant Agreement as the Grantee and is binding the Grantee to the terms and conditions set forth in this Grant Agreement.
7. **Record retention; Public records; Accounting; Inspection.**

 - (b) Pursuant to Chapter 119, Florida Statutes, the Grantee agrees that any records, documents, transactions, writings, papers, letters, computerized information and programs, maps, books, audio or video tapes, films, photographs, data processing software, writings or other material(s), regardless of the physical form, characteristics, or means of transmission, of the Grantee related, directly or indirectly, to this Grant Agreement and made or received pursuant to law or ordinance or in connection with the transaction of official business by the CRA, may be deemed to be a public record and subject to the provisions of Chapter 119, Florida Statutes, whether in the possession or control of CRA or the Grantee, and may not be destroyed without the specific written approval of the CRA's designated custodian of public records.

 - (v) injury or negligence of any person arising from the work or material supplied that is subject to reimbursement pursuant to this Grant Agreement; or
 - (vi) failure to follow or correctly follow directions of the State or any other governmental entity.

The indemnification provided above shall obligate the Grantee to defend at its own expense or to provide for such defense, at the option of the CRA, as the case may be, of any and all claims of liability and all suits and actions of every name and description that may be brought against the CRA or its employees, officers, and attorneys which may result from the acts or omissions stated above under this Grant Agreement whether performed by the Grantee, anyone directly or indirectly employed by the Grantee, or anyone otherwise authorized to act, in any manner, on their behalf. In all events, the CRA shall be permitted to choose legal counsel of its sole choice, the fees for which shall be reasonable and subject to and included with this indemnification provided herein. Agenda Date: May 16, 2022
Prepared By: Lori Chabot, Redevelopment Coordinator
Through: Charlene Neuterman, Community Services Department Director
Requested Action:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 808 Barbara Jenkins Street, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

BACKGROUND:

Since 1998, the objective of the Diamond Square Community Redevelopment Agency (CRA) Redevelopment Plan has been to leverage the neighborhood's existing assets to support the revitalization of the area and remove the blighting influences identified in the original "finding of Necessity" study. Over the past, the City and the CRA have invested substantially in upgrading infrastructure, removing blighted structures, assembling land and funding façade improvements.

The plan update in 2014 was created to build on prior years serving as a guide to implement the community's vision through refocusing on the roles, priorities and connections of the CRA with other organizations. The update was intended to support desired growth and development in order to stimulate private investment and enhance community identity.

The Paint Grant Program has \$5,000 budgeted in the FY2022 budget to award grants throughout the fiscal year. Applicants are subject to availability of funds which are awarded on a first come, first-serve basis to homeowners meeting all Program eligibility requirements. The program eligibility

requirements are as follows:

- Applicant/homeowner must reside in the home requesting participation in the program
- Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.

BUDGETARY IMPACT:

Budgeted	Yes
If not budgeted, is amendment/transfer attached?	N/A

Amount Requested	<u>\$1,000.00</u>
Account Number	<u>111-3230-559.83-00</u>

Source of Funds: Diamond Square CRA

PREVIOUS ACTION:

June, 2021, the Diamond Square CRA approved the Residential Paint Program, similar to the CRA's Commercial Façade Grant Program in an effort to support the plan's goal of raising value and perception of the Diamond Square and to encourage area spending and homeowner investment (*Objective 3.6*) and the development of community partnerships to grow in ways to further benefit the Diamond Square Community (*Objective 5.3*).

RECOMMENDED MOTION:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 808 Barbara Jenkins Street, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

DIAMOND SQUARE COMMUNITY REDEVELOPMENT AGENCY

RESIDENTIAL PAINTING PROGRAM GUIDELINES AND APPLICATION

Residential Paint Program Guidelines

I. Purpose

The Diamond Square Community Redevelopment Residential Paint Program (hereinafter the "Program") was established by the Diamond Square Community Redevelopment Agency (the "CRA") to encourage residents of the Diamond Square area to improve the exterior of their residences, thereby reducing blight conditions and improving the aesthetics of the community. Through the Diamond Square Redevelopment Plan the CRA is authorized to "support and encourage improved appearance and design of both public and private projects. Strategies may include, but are not limited to, developing design guidelines, providing design assistance, facade grant and/or paint programs, incentives, and partnerships with both the public and private sector." The Program allows eligible applicants to share with the CRA the cost of painting an existing residential property within the Diamond Square Redevelopment Area.

II. Availability of Funds

This Program is subject to the availability of funds in the CRA's Diamond Square Redevelopment Area. If such funds are available and allocated to this Program, the funds will be awarded on a first-come, first-serve basis to home owners meeting all Program guidelines. Up to \$1,000.00 that include pressure washing, paint and paint supplies to be awarded per approved project. The recipient shall be responsible for painting and any additional costs associated with the project. The CRA reserves sole discretion in the review of applications and in awarding funds under this Program.

III. Eligibility

The residential dwelling (hereinafter the "Home") must be located within the Diamond Community Redevelopment Area.

1. The Applicant/Home Owner must reside in the Home requesting participation in the Paint Program.
2. The Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.
3. The project shall consist of painting the exterior of the Home. Interior painting projects are not eligible. Current members of the CRA or City Staff are not eligible. The exterior of the Home will be pressure washed by a contractor after the application is approved. CRA staff will verify completion of the pressure washing.
4. Applications may be considered according to an "application cycle" established by the CRA.

IV. Applicant Requirements/Program Process

1. The applicant must obtain and submit a completed CRA Paint Program application to CRA staff with all required attachments.
2. Within 30 business days the CRA staff will review the application and notify the applicant, in writing, of its approval, denial for failure to meet Program requirements or to request missing or additional information needed to complete review.
3. The CRA will have the exterior pressure washed upon completion and CRA approval of application and prior to purchase of Paint and paint supplies.
4. The application must include the chosen color scheme for both the building and trim and color photographs of the exterior of the existing Home ("before" photos). Recommended color palettes are available upon request from the CRA.
5. Upon application approval, the applicant will consult with CRA staff and a representative from a CRA approved paint supply company to determine what paint and paint supplies will be sufficient in order to complete an industry-standard paint job.

6. Upon selection and transfer of paint and supplies to the applicant, the CRA will issue payment directly to the paint supply company.
7. Work must commence on the project within 30 days of the applicant's receipt of the paint and paint supplies. All work must be complete within 60 days from the commencement date.
8. Upon completion of the work, the applicant must contact the CRA staff to arrange a completion inspection. All work will be inspected by the CRA after completion of the project for the limited purpose of verifying the work was completed in accordance with these guidelines. In the event completed work is not in compliance of the guidelines, CRA will notify the applicant of non-compliance within 15 days.

V. CRA Limit of Liability

The CRA's liability under this Program shall be solely limited pressure washing and to the purchase of paint and paint supplies in an amount not to exceed \$1,000.00, approved in advance by the CRA for work completed in accordance with these guidelines, as evidenced by an executed Affidavit of Completion. The CRA expressly disclaims any other liability, warranty or guarantee, express or Implied.

Applicant must sign acknowledging receipt of the Program Guidelines.

 - (b) The Grant is awarded and paid to a pre-approved paint store identified by the City of Cocoa CRA staff. DIAMOND SQUARE REDEVELOPMENT AGENCY AGENDA ITEM

Memo Date: May 2, 2022
Agenda Date: May 16, 2022
Prepared By: Lori Chabot, Redevelopment Coordinator
Through: Charlene Neuterman, Community Services Department Director

Requested Action:

Staff is requesting Agency approval for the agency's Residential Beautification Grant application not to exceed \$500 for the property located at 817 Barbara Jenkins St., Cocoa, FL and authorize the City Manager to execute a Residential Beautification Agreement.

BACKGROUND:

Since 1998, the objective of the Diamond Square Community Redevelopment Agency (CRA) Redevelopment Plan has been to leverage the neighborhood's existing assets to support the revitalization of the area and remove the blighting influences identified in the original "finding of Necessity" study. Over the past, the City and the CRA have invested substantially in upgrading infrastructure, removing blighted structures, assembling land and funding façade improvements.

The plan update in 2014 was created to build on prior years serving as a guide to implement the community's vision through refocusing on the roles, priorities and connections of the CRA with other organizations. The update was intended to support desired growth and development in order to stimulate private investment and enhance community identity.

The Beautification Grant Program has \$5,000 budgeted in the FY2022 budget to award grants throughout the fiscal year. Applicants are subject to availability of funds which are awarded on a first

come, first-serve basis to homeowners meeting all Program eligibility requirements. The program eligibility requirements are as follows:

- Applicant/homeowner must reside in the home requesting participation in the program
- Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.

BUDGETARY IMPACT:

Budgeted	Yes
If not budgeted, is amendment/transfer attached?	N/A

Amount Requested	<u>\$500.00</u>
Account Number	111-3230-559.83-00
Account Name	Other Grants and Aids

Source of Funds: Diamond Square CRA

PREVIOUS ACTION:

June, 2021, the Diamond Square CRA approved the Residential Beautification Program, similar to the CRA's Commercial Façade Grant Program in an effort to support the plan's goal of raising value and perception of the Diamond Square and to encourage area spending and homeowner investment (*Objective 3.6*) and the development of community partnerships to grow in ways to further benefit the Diamond Square Community (*Objective 5.3*).

RECOMMENDED MOTION:

Staff is requesting Agency approval for the agency's Residential Beautification Grant application not to exceed \$500 for the property located at 817 Barbara Jenkins St., Cocoa, FL and authorize the City Manager to execute a Residential Beautification Agreement.

RESIDENTIAL PAINTING PROGRAM GUIDELINES AND APPLICATION

Residential Paint Program Guidelines

I. Purpose

The Diamond Square Community Redevelopment Residential Paint Program (hereinafter the "Program") was established by the Diamond Square Community Redevelopment Agency (the "CRA") to encourage residents of the Diamond Square area to improve the exterior of their residences, thereby reducing blight conditions and improving the aesthetics of the community. Through the Diamond Square Redevelopment Plan the CRA is authorized to "support and encourage improved appearance and design of both public and private projects. Strategies may include, but are not limited to, developing design guidelines, providing design assistance, facade grant and/or paint programs, incentives, and partnerships with both the public and private sector." The Program allows eligible applicants to share with the CRA the cost of painting an existing residential property within the Diamond Square Redevelopment Area.

II. Availability of Funds

This Program is subject to the availability of funds in the CRA's Diamond Square Redevelopment Area. If such funds are available and allocated to this Program, the funds will be awarded on a first-come, first-serve basis to home owners meeting all Program guidelines. Up to \$1,000.00 that include pressure washing, paint and paint supplies to be awarded per approved project. The recipient shall be responsible for painting and any additional costs associated with the project. The CRA reserves sole discretion in the review of applications and in awarding funds under this Program.

III. Eligibility

The residential dwelling (hereinafter the "Home") must be located within the Diamond Community Redevelopment Area.

1. The Applicant/Home Owner must reside in the Home requesting participation in the Paint Program.
2. The Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.
3. The project shall consist of painting the exterior of the Home. Interior painting projects are not eligible. Current members of the CRA or City Staff are not eligible. The exterior of the Home will be pressure washed by a contractor after the application is approved. CRA staff will verify completion of the pressure washing.
4. Applications may be considered according to an "application cycle" established by the CRA.

IV. Applicant Requirements/Program Process

1. The applicant must obtain and submit a completed CRA Paint Program application to CRA staff with all required attachments.
2. Within 30 business days the CRA staff will review the application and notify the applicant, in writing, of its approval, denial for failure to meet Program requirements or to request missing or additional information needed to complete review.
3. The CRA will have the exterior pressure washed upon completion and CRA approval of application and prior to purchase of Paint and paint supplies.
4. The application must include the chosen color scheme for both the building and trim and color photographs of the exterior of the existing Home ("before" photos). Recommended color palettes are available upon request from the CRA.
5. Upon application approval, the applicant will consult with CRA staff and a representative from a CRA approved paint supply company to determine what paint and paint supplies will be sufficient in order to complete an industry-standard paint job.

6. Upon selection and transfer of paint and supplies to the applicant, the CRA will issue payment directly to the paint supply company.
7. Work must commence on the project within 30 days of the applicant's receipt of the paint and paint supplies. All work must be complete within 60 days from the commencement date.
8. Upon completion of the work, the applicant must contact the CRA staff to arrange a completion inspection. All work will be inspected by the CRA after completion of the project for the limited purpose of verifying the work was completed in accordance with these guidelines. In the event completed work is not in compliance of the guidelines, CRA will notify the applicant of non-compliance within 15 days.

V. CRA Limit of Liability

The CRA's liability under this Program shall be solely limited pressure washing and to the purchase of paint and paint supplies in an amount not to exceed \$1,000.00, approved in advance by the CRA for work completed in accordance with these guidelines, as evidenced by an executed Affidavit of Completion. The CRA expressly disclaims any other liability, warranty or guarantee, express or Implied.

Applicant must sign acknowledging receipt of the Program Guidelines.

Memo Date: May 2, 2022
Agenda Date: May 16, 2022
Prepared By: Lori Chabot, Redevelopment Coordinator
Through: Charlene Neuterman, Community Services Department Director
Requested Action:

Staff is requesting Agency approval for the agency's Residential Beautification Grant application not to exceed \$500 for the property located at 808 Barbara Jenkins St., Cocoa, FL and authorize the City Manager to execute a Residential Beautification Agreement.

BACKGROUND:

Since 1998, the objective of the Diamond Square Community Redevelopment Agency (CRA) Redevelopment Plan has been to leverage the neighborhood's existing assets to support the revitalization of the area and remove the blighting influences identified in the original "finding of Necessity" study. Over the past, the City and the CRA have invested substantially in upgrading infrastructure, removing blighted structures, assembling land and funding façade improvements.

The plan update in 2014 was created to build on prior years serving as a guide to implement the community's vision through refocusing on the roles, priorities and connections of the CRA with other organizations. The update was intended to support desired growth and development in order to stimulate private investment and enhance community identity.

The Beautification Grant Program has \$5,000 budgeted in the FY2022 budget to award grants throughout the fiscal year. Applicants are subject to availability of funds which are awarded on a first come, first-serve basis to homeowners meeting all Program eligibility requirements. The program

eligibility requirements are as follows:

- Applicant/homeowner must reside in the home requesting participation in the program
- Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.

BUDGETARY IMPACT:

Budgeted	Yes
If not budgeted, is amendment/transfer attached?	N/A

Amount Requested	<u>\$500.00</u>
Account Number	<u>111-3230-559.83-00</u>
Account Name	<u>Other Grants and Aids</u>

Source of Funds: Diamond Square CRA

PREVIOUS ACTION:

June, 2021, the Diamond Square CRA approved the Residential Beautification Program, similar to the CRA's Commercial Façade Grant Program in an effort to support the plan's goal of raising value and perception of the Diamond Square and to encourage area spending and homeowner investment (*Objective 3.6*) and the development of community partnerships to grow in ways to further benefit the Diamond Square Community (*Objective 5.3*).

RECOMMENDED MOTION:

Staff is requesting Agency approval for the agency's Residential Beautification Grant application not to exceed \$500 for the property located at 808 Barbara Jenkins St., Cocoa, FL and authorize the City Manager to execute a Residential Beautification Agreement.

I. Purpose

The Diamond Square Community Redevelopment Residential Beautification Program (hereinafter the "Program") was established by the Diamond Square Community Redevelopment Agency (the "CRA") to encourage residents of the Diamond Square area to improve the exterior of their residences, thereby reducing blight conditions and improving the aesthetics of the community. Through the Diamond Square Redevelopment Plan the CRA is authorized to "support and encourage improved appearance and design of both public and private projects. Strategies may include, but are not limited to, developing design guidelines, providing design assistance, facade grant and/or paint programs, incentives, and partnerships with both the public and private sector." The Program allows eligible applicants to share with the CRA the cost of landscaping supplies for an existing residential property within the Diamond Square Redevelopment Area.

If such funds are available and allocated to this Program, the funds will be awarded on a first-come, first-serve basis to home owners meeting all Program guidelines. Up to \$500.00 for selected landscaping supplies will be awarded per approved project. The recipient shall be responsible for the planting and all additional costs associated with the project. The CRA reserves sole discretion in the review of applications and in awarding funds under this Program. **The intent of the grant is support and encourage improved appearance therefore the CRA may not approve all applicants.**

6. After selection and delivery of shrubs/plants/bushes, the CRA will issue payment directly to the landscaping company.
7. Work must commence on the project within 15 days of the applicant's receipt of the landscaping supplies. All work must be complete within 60 days from the commencement date.

DIAMOND SQUARE REDEVELOPMENT AGENCY AGENDA ITEM

Memo Date: May 2, 2022
Agenda Date: May 16, 2022
Prepared By: Lori Chabot, Redevelopment Coordinator
Through: Charlene Neuterman, Community Services Department Director
Requested Action:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 401 Catherine Ct, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

BACKGROUND:

Since 1998, the objective of the Diamond Square Community Redevelopment Agency (CRA) Redevelopment Plan has been to leverage the neighborhood's existing assets to support the revitalization of the area and remove the blighting influences identified in the original "finding of Necessity" study. Over the past, the City and the CRA have invested substantially in upgrading infrastructure, removing blighted structures, assembling land and funding façade improvements.

The plan update in 2014 was created to build on prior years serving as a guide to implement the community's vision through refocusing on the roles, priorities and connections of the CRA with other organizations. The update was intended to support desired growth and development in order to stimulate private investment and enhance community identity.

The Paint Grant Program has \$5,000 budgeted in the FY2022 budget to award grants throughout the fiscal year. Applicants are subject to availability of funds which are awarded on a first come, first-serve basis to homeowners meeting all Program eligibility requirements. The program eligibility requirements are as follows:

- Applicant/homeowner must reside in the home requesting participation in the program
- Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens

PREVIOUS ACTION:

June, 2021, the Diamond Square CRA approved the Residential Paint Program, similar to the CRA's Commercial Façade Grant Program in an effort to support the plan's goal of raising value and perception of the Diamond Square and to encourage area spending and homeowner investment (*Objective 3.6*) and the development of community partnerships to grow in ways to further benefit the Diamond Square Community (*Objective 5.3*).

RECOMMENDED MOTION:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 401 Catherine Ct, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

RESIDENTIAL PAINTING PROGRAM GUIDELINES AND APPLICATION

I. Purpose

The Diamond Square Community Redevelopment Residential Paint Program (hereinafter the "Program") was established by the Diamond Square Community Redevelopment Agency (the "CRA") to encourage residents of the Diamond Square area to improve the exterior of their residences, thereby reducing blight conditions and improving the aesthetics of the community. Through the Diamond Square Redevelopment Plan the CRA is authorized to "support and encourage improved appearance and design of both public and private projects. Strategies may include, but are not limited to, developing design guidelines, providing design assistance, facade grant and/or paint programs, incentives, and partnerships with both the public and private sector." The Program allows eligible applicants to share with the CRA the cost of painting an existing residential property within the Diamond Square Redevelopment Area.

II. Availability of Funds

This Program is subject to the availability of funds in the CRA's Diamond Square Redevelopment Area. If such funds are available and allocated to this Program, the funds will be awarded on a first-come, first-serve basis to home owners meeting all Program guidelines. Up to \$1,000.00 that include pressure washing, paint and paint supplies to be awarded per approved project. The recipient shall be responsible for painting and any additional costs associated with the project. The CRA reserves sole discretion in the review of applications and in awarding funds under this Program.

III. Eligibility

The residential dwelling (hereinafter the "Home") must be located within the Diamond Community Redevelopment Area.

1. The Applicant/Home Owner must reside in the Home requesting participation in the Paint Program.
2. The Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.
3. The project shall consist of painting the exterior of the Home. Interior painting projects are not eligible. Current members of the CRA or City Staff are not eligible. The exterior of the Home will be pressure washed by a contractor after the application is approved. CRA staff will verify completion of the pressure washing.
4. Applications may be considered according to an "application cycle" established by the CRA.

IV. Applicant Requirements/Program Process

1. The applicant must obtain and submit a completed CRA Paint Program application to CRA staff with all required attachments.
2. Within 30 business days the CRA staff will review the application and notify the applicant, in writing, of its approval, denial for failure to meet Program requirements or to request missing or additional information needed to complete review.
3. The CRA will have the exterior pressure washed upon completion and CRA approval of application and prior to purchase of Paint and paint supplies.
4. The application must include the chosen color scheme for both the building and trim and color photographs of the exterior of the existing Home ("before" photos). Recommended color palettes are available upon request from the CRA.

Through: Charlene Neuterman, Department Director

Requested Action:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 361 Lucas Lane, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

BACKGROUND:

Since 1998, the objective of the Diamond Square Community Redevelopment Agency (CRA) Redevelopment Plan has been to leverage the neighborhood's existing assets to support the revitalization of the area and remove the blighting influences identified in the original "finding of Necessity" study. Over the past, the City and the CRA have invested substantially in upgrading infrastructure, removing blighted structures, assembling land and funding façade improvements.

The plan update in 2014 was created to build on prior years serving as a guide to implement the community's vision through refocusing on the roles, priorities and connections of the CRA with other organizations. The update was intended to support desired growth and development in order to stimulate private investment and enhance community identity.

The Paint Grant Program has \$5,000 budgeted in the FY2022 budget to award grants throughout the fiscal year. Applicants are subject to availability of funds which are awarded on a first come, first-

serve basis to homeowners meeting all Program eligibility requirements. The program eligibility requirements are as follows:

- Applicant/homeowner must reside in the home requesting participation in the program
- Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.

RECOMMENDED MOTION:

Staff is requesting Agency approval for the agency's Residential Paint Grant application not to exceed \$1,000 for the property located at 361 Lucas Lane, Cocoa, FL and authorize the City Manager to execute a Residential Paint Agreement.

RESIDENTIAL PAINTING PROGRAM GUIDELINES AND APPLICATION

Residential Paint Program Guidelines

I. Purpose

The Diamond Square Community Redevelopment Residential Paint Program (hereinafter the "Program") was established by the Diamond Square Community Redevelopment Agency (the "CRA") to encourage residents of the Diamond Square area to improve the exterior of their residences, thereby reducing blight conditions and improving the aesthetics of the community. Through the Diamond Square Redevelopment Plan the CRA is authorized to "support and encourage improved appearance and design of both public and private projects. Strategies may include, but are not limited to, developing design guidelines, providing design assistance, facade grant and/or paint programs, incentives, and partnerships with both the public and private sector." The Program allows eligible applicants to share with the CRA the cost of painting an existing residential property within the Diamond Square Redevelopment Area.

II. Availability of Funds

This Program is subject to the availability of funds in the CRA's Diamond Square Redevelopment Area. If such funds are available and allocated to this Program, the funds will be awarded on a first-come, first-serve basis to home owners meeting all Program guidelines. Up to \$1,000.00 that include pressure washing, paint and paint supplies to be awarded per approved project. The recipient shall be responsible for painting and any additional costs associated with the project. The CRA reserves sole discretion in the review of applications and in awarding funds under this Program.

III. Eligibility

The residential dwelling (hereinafter the "Home") must be located within the Diamond Community Redevelopment Area.

1. The Applicant/Home Owner must reside in the Home requesting participation in the Paint Program.
2. The Home shall have no existing code violations and the owner shall not be named in any outstanding code enforcement liens.
3. The project shall consist of painting the exterior of the Home. Interior painting projects are not eligible. Current members of the CRA or City Staff are not eligible. The exterior of the Home will be pressure washed by a contractor after the application is approved. CRA staff will verify completion of the pressure washing.
4. Applications may be considered according to an "application cycle" established by the CRA.

IV. Applicant Requirements/Program Process

1. The applicant must obtain and submit a completed CRA Paint Program application to CRA staff with all required attachments.
2. Within 30 business days the CRA staff will review the application and notify the applicant, in writing, of its approval, denial for failure to meet Program requirements or to request missing or additional information needed to complete review.
3. The CRA will have the exterior pressure washed upon completion and CRA approval of application and prior to purchase of Paint and paint supplies.
4. The application must include the chosen color scheme for both the building and trim and color photographs of the exterior of the existing Home ("before" photos). Recommended color palettes are available upon request from the CRA.
5. Upon application approval, the applicant will consult with CRA staff and a representative from a CRA approved paint supply company to determine what paint and paint supplies will be sufficient in order to complete an industry-standard paint job.

6. Upon selection and transfer of paint and supplies to the applicant, the CRA will issue payment directly to the paint supply company.
7. Work must commence on the project within 30 days of the applicant's receipt of the paint and paint supplies. All work must be complete within 60 days from the commencement date.
8. Upon completion of the work, the applicant must contact the CRA staff to arrange a completion inspection. All work will be inspected by the CRA after completion of the project for the limited purpose of verifying the work was completed in accordance with these guidelines. In the event completed work is not in compliance of the guidelines, CRA will notify the applicant of non-compliance within 15 days.

V. CRA Limit of Liability

The CRA's liability under this Program shall be solely limited pressure washing and to the purchase of paint and paint supplies in an amount not to exceed \$1,000.00, approved in advance by the CRA for work completed in accordance with these guidelines, as evidenced by an executed Affidavit of Completion.
