2. Council direction on the individuals to include on the mural installation at the Fitness Court being installed at Provost Park. (2025-1209). (Comm. & Economic Development Director)

   Ms. Senger explained that staff is seeking direction on how to choose the final list of individuals selected to be featured in the mural. Staff is proposing the following options:

   1. Each Council member provides 3 names of individuals that have made an impact on Provost Park and the surrounding community. We take the list of 15 names and create a survey that is open to the public for voting and allow the public to select the top 6 of the 15 individuals that will be included in the mural. Allowing the public to have some input into the decision will help build trust and increase public support for the overall

project. The survey will be open until February 9, 2026, when we will provide an update to City Council at the February 10, 2026 Council meeting with the selected individuals.

2. Each Council member provides 3 names of individuals that have made an impact on Provost Park and the surrounding community. City Council then votes to dwindle the list down to 6 individuals that will appear in the mural.

Deputy Mayor Goins suggested adding either a plaque or a QR code on the mural that way people know more about these historical individuals. In response, Ms. Senger pointed out that they would like to have some verbiage painted on the mural itself as QR codes may not always be used in the future.

Councilmember Hearn asked if there are any qualifications that need to be met to nominate individuals. In response, City Manager Whitten stated no, individuals will be selected at the discretion of the Council.

Councilmember Hearn asked if this goes out for a survey, when will it come back to Council? In response, Ms. Senger stated that she intends to bring this back to the next Council meeting on February 10, 2026.

Councilmember Weeks shared that she is in favor of Option 1 and would like to see the public share some input on who is selected.

Councilmember Koss added that she would like to ask Council to consider selecting individuals who tell the story of Cocoa as a whole. She explained that she is also in favor of having public participation and hopes this will be a robust process.

Deputy Mayor Goins nominated Ed Jones, Norman Davis, and Nathaniel Hooks.

Councilmember Hearn nominated Dr. W.O. Wells, James Roe Jr. and Mary Dorn.

Councilmember Weeks nominated Mildred Williams.

Councilmember Koss nominated Frank Sullivan and Nathaniel Hooks.

Mayor Blake nominated Mrs. Jessie Ruth Monroe, Reechie Sims, and Ms. Rosemary McGill.

Deputy Mayor Goins wished to suggest Mr. Dick Blake as well since the Councilwomen had less nominations.

For clarification, it was noted that if someone already has something named after them, then maybe that should disqualify them for this.

City Manager Whitten wished to point out that if Council wishes to tell the story of Cocoa as a whole, they may want to consider Mr. Blake and he's not sure where those eligibility requirements came from.

* **MOTION by Mayor Blake; Seconded by Councilmember Weeks to opt for Option 1 and nominate the following individuals to include on the survey for the mural installation at the Fitness Court being installed at Provost Park:**

(2025-1207). (Public Works Director)

Councilmember Koss asked for clarification regarding the analysis. She shared that she is concerned because none of the roads in District 4 have made the list and she would like to understand the process on how the roads are selected. She explained that while she is not going to fight a vote this evening, she wants to make sure that her District is treated fairly as well.

Deputy Mayor Goins added that he feels these roads were selected not based on where they are located, but more so because they are in poor and failing condition, although he understands the point Councilmember Koss is making.

* **MOTION by Deputy Mayor Goins; Seconded by Councilmember Hearn to approve the item, for discussion.**

Councilmember Koss wished to share that there are also neighborhoods in Cocoa that are much older and have not had any road maintenance.

TO CLARIFY, THE CHANGES TO THE SCHEDULE INCLUDE ADDING A DISTRICT 3 TOWN HALL MEETING ON MARCH 18, 2026, A DISTRICT 4 TOWN HALL MEETING ON OCTOBER 20, 2026, A STATE OF THE CITY MEETING (DATE TBD), A DISTRICT 1 TOWN HALL MEETING AND DISTRICT 2 TOWN HALL MEETING AT DATES TO BE DETERMINED AT A LATER TIME.
